3. Matthews and Tenor Wines:

To host an event at **Matthews**, a minimum purchase of **Matthews** and/or Tenor wines appropriate for your number of guests is required by **Host** directly from the winery. 50% of the wine minimum is collected at contract signing; actual wine cost will be determined by actual wines chosen/consumed. No other wines, besides champagne, may be served. If **Host** provides champagne or other alcohol, such as beer or liquor, a \$300 corkage fee will be added to the Rental Agreement. This fee is due in full with the deposit and signed Facility Rental Agreement.

4. Matthews Event Staff:

If **Matthews** and/or Tenor wines are being served exclusively during the private winery-related event, **Matthews** will provide appropriate staffing for wine service. If alcoholic beverages besides **Matthews** and/or Tenor wines are being served during the private winery-related event, then all alcoholic beverage service must be provided by the **Host's** caterers or licensed bartending services. The **Host** and its caterer may arrive to begin a quiet setup at the Tasting Room no earlier than 5:30pm (unless special arrangements are made in advance) and this quiet setup does not interfere with regular Tasting Room customers and operations. Guests may arrive starting at 7:00pm so the Tasting Room will be completely ready to welcome them at that time. Upon conclusion of private winery-related event, the **Host** and guests must vacate the building, with lights off and doors locked no later than 11:00pm (all vendors included). An extension to midnight may be negotiated into the rental agreement **PRIOR TO EVENT** for \$500/hour. Guests arriving prior to 7:00pm, without prior approval, will result in forfeiture of the security deposit. A prorated fee of \$1,000/hour will be assessed if **Host** desires the Tasting Room to close earlier than 5:00pm. The Farm House is typically available for an evening rental from 4-10PM or an afternoon rental of 12-3PM though times may vary depending on **Host** requirements and property availability. If the venue is damaged or destroyed by the **Host** or their guests, the **Host** will be held responsible and billed for any and all repairs. The **Host** will also be billed for any missing or broken items belonging to **Matthews**. Cost of repairs will be held from the security deposit and **Host** will be further invoiced for actual damages exceeding the cost of the security deposit. Additionally, **Matthews** requests that the caterer dispose of their waste from the property upon the conclusion of the event; failure to do so will result in a \$150 garbage management service fee. Any significant garbage beyond normal use and/or vandalism requiring **Matthews** staff to clean up or repair will result in the forfeiture of security deposit as well as additional reasonable charges if needed to the credit card on file for event, depending on the nature of the additional clean up and/or damages. **Matthews** staff will begin their clean up at the conclusion of alcoholic beverage service as referenced in section 4. (____)

12. Host Decorations:

All decorative elements must be removed from the **Matthews** property by 11:00pm the night of the event. This includes flowers and excess flower petals, confetti, etc. from the grounds and buildings. Under no circumstances may any nails or tacks be used on any building surface, indoors or out. Personal effects may not be left for next-day pickup.

13. Host Music and Amplification:

All amplified evening music must be indoors unless an exception for outdoor music is approved by **Matthews**. Live music and recorded music must cease by 10:00pm. There is a King County noise ordinance in effect and we make every effort to be good neighbors. Any law enforcement action on event noise will result in immediate forfeiture of **Host** security deposit. (____)

16. Force Majeure/Interruptions:

The parties shall not be liable or responsible to the other party, nor be deemed to have defaulted or breached this agreement, for any failure or delay in fulfilling or performing any term of this agreement when and to the extent such failure or delay is caused by or results from acts or circumstances beyond its reasonable control including, without limitation: acts of God, flood, fire, earthquake, lightening, explosion, governmental actions, war invasion or hostilities (whether war is declared or not), terrorist threats or acts, riot, or other civil unrest, national emergency, revolution, insurrection, epidemic, lock-outs, strikes or other labor disputes (whether or not relating to either party's workforce), or restraints or delays affecting carriers or inability or delay in obtaining supplies of adequate or suitable materials, major telecommunication breakdown and/or power outage. In the event of Force Majeure, **Matthews** shall refund any monies paid to **Matthews** by the **Host** prior to such Force Majeure event, and the **Host** shall not be liable for any future payment obligations.

17. Host Agreement Assignment:

This agreement may not be assigned by the **Host** to another party without prior written consent by the owners of **Matthews**.

18. Matthews Facility Rental Agreement Termination:

This agreement may be terminated by **Matthews** at any time and for any reason without further liability except complete 100% refund of any sums which have been paid to and held for deposit or rental. (____)

19. Host Children at Events:

Matthews welcomes children and allows them to enjoy themselves within the designated event areas. **Matthews** however, does require a dedicated adult supervisor where children are present during the **Host's** event. Children climbing trees and fences, entering buildings or the farm/garden/office areas without permission, or throwing rocks or sticks in the grass or farm area will not be allowed. This could result in the forfeiture of the security deposit.

20. Wedding Planner:

All weddings require that the bridal party work with a planner who will serve as the **Matthews** primary point of contact.

21. Parking

Host is responsible for all parking lot attendant fees if the event has greater than 50 guests or as required due to King County ordinances.

22. Host Refundable Security Deposit:

In addition to the Facility Rental Fee, a refundable security deposit of \$500 is required on all events. Any damages incurred, negligence of written policies, and/or violation of the Facility Rental Agreement may result in forfeiture of all or a portion of **Host's** security deposit. *This refundable security deposit is due at the same time as the balance of Facility Rental Fee.*

23. Technical Support:

Host is responsible for the contracting, scheduling, and performance of any complex A/V, sound or lighting event requirements. **Matthews** will review all our basic internal A/V settings upon request. Any A/V or technical support must be procured at least 3-4 weeks prior to the event and a full walkthrough of the venue must be scheduled at least 2 weeks prior to the event. All internal settings must be returned to their "default settings" at the conclusion of the event. If not, a deduction from **Host's** security deposit will be charged for any staff time it takes to reset every dial to the "default settings". (____)

24. Event Insurance:

Matthews requires the **Host** of the private winery-related event to provide a certificate of insurance naming Matthews Winery, Tenor Wines, LLC and Rubstello Otis, LLC as additional insured with limits of \$1,000,000.00 on the Commercial General Liability (CSL) line.

This certificate is due to **Matthews** no later than 14 days prior to the **Host's** event; if not provided at least 14 days prior to **Host's** event, **Matthew's** Winery will proceed with securing TULIP along with a 50% surcharge of the insurance amount to be included at time of reconciliation. There are two options available to obtain the certificate of insurance:

1. Many homeowner or renter insurance policies provide coverage for this type of request. Ask your agent to provide a copy of the certificate.
2. Obtain **Tenant Users Liability Insurance Policy**.

Tenant Users Liability Insurance Policy, or TULIP, is an easy to use, fast method of insuring most types of events and activities taking place at various facilities and venues throughout the United States.

What is a TULIP Program? The TULIP program provides low-cost general liability insurance to “third party” users of various venues and facilities for events. It protects both the user and the facility against claims by guests who may be injured as a result of attending an event. Events may range from seminars, receptions and weddings, to sporting events and concerts. Your premium quote is based upon the risk associated with the given event or activity, the number of days coverage is needed, the number of attendees, and if there are any special requirements, such as alcohol liability, food service, etc.

How does TULIP work? When you decide on using Matthews for your event, please click on the TULIP website URL and follow the prompts. Matthews will provide you a seven-digit ID code indicated below that identifies the facility within the TULIP system. Follow the online process to enter this ID code and answer a few basic questions about your event to receive an online quote. If you decide to purchase coverage through the program, you can simply enter your credit card information and secure the coverage online. They will even take care of forwarding you a Certificate of Insurance.

To obtain a one-time event policy from the TULIP program (Tenant Users Liability Insurance Program): please use the following website → <https://www.onebeaconentertainment.com/> and follow the prompts.

Under TULIP – Click Event Insurance then click on Purchase or Quote, Use this code = 4506-000 for Matthews Winery
